Re: Zoning Board of Appeals position

To whom it may concern,

Please let this serve as my letter of interest for a position on the Zoning Board of Appeals for Cohoctah Township. I write this as a person with vested interest in the township and our community. I will not take this position lightly, rather I have considered this with enthusiasm and excitement to do my part as a person who is eager to work with others to take our community forward, elevating us to level that is consistent with the values of our community.

As a current business owner in the community, I take pride in raising my family and growing my family and business here. With that said, I want to be more involved in my community while developing myself and growing our community in the right direction. I plan to be here for a long time and want to do my part.

Again, I want to communicate my interest in a position on the Zoning Board of Appeals. I am eager to be involved and take ownership of this position and serve the community. I appreciate your consideration for this position.

Sincerely,

Jonathna M. Black Jr.
