Re: Potential 2021 Gravel Road Project

Dear Mr. Fosdick:

Per your request, we are providing you with a list of potential gravel road improvement projects for the 2021 construction season. The location and estimate of each project are shown in the following table.

| ROAD | LOCATION | TYPE OF WORK | AMOUNT |
|--------------|--------------------------------------|---|-------------|
| Lovejoy Road | Owosso to Burns Twp. (2,740 feet) | Gravel Resurfacing, Tree Work, and Limited Drainage Work | \$63,000.00 |

Please review the above estimates and contact me if you wish to have a contract prepared for any of these projects. To be included on this year's construction schedule, all contracts must in place by May 1, 2021.

If you have any questions, please do not hesitate to contact Dub Toddy or me.

Sincerely,

Trevor Bennett
Director of Operations
