# THE THREE PILLARS OF SUSTAINABILITY

# THE PARTNERSHIP WITH COLIMBIA HEIGHTS

---

## More Than a Service

- ❑ Early adoption of organics collection
- ❑ Ongoing collaboration with the City of Columbia Heights
- ❑ Strong participation by City residents

A program built on trust and consistency

# WHY THIS PROGRAM MATTERS

---

## Environmental Impact + Human Opportunity

- ❑ Organics diverted from landfill
- ❑ Reduction in methane emissions
- ❑ Jobs created through service delivery

Every pickup = environmental benefit + economic opportunity

# HOW THE SYSTEM WORKS

---

## A Shared Effort

- ❑ **City** → Provides leadership and infrastructure
- ❑ **Residents** → Participate and separate organics
- ❑ **Better Futures** → Delivers service + creates jobs

Together, this creates measurable impact

# CLOSING

---

## **Proud to Continue the Work**

- Commitment to service excellence
- Commitment to community impact
- Appreciation for continued trust

Thank You, Columbia Heights
