

SUSTAINABILITY COMMISSION MEETING

AGENDA SECTION	BUSINESS ITEMS
MEETING DATE	02/10/2026

ITEM:	GIS Mapping Update		
<i>Presenting Item:</i> Zekima Rashid, MN GreenCorps Member			
DEPARTMENT:	Community Development	BY/DATE:	Zekima Rashid, 02/05/2026
CORE CITY STRATEGIES: <i>(please indicate areas that apply by adding an "X" in front of the selected text below)</i>			
_Community that Grows with Purpose and Equity		X Engaged, Effective and Forward-Thinking	
_High Quality Public Spaces		_Resilient and Prosperous Economy	
_Safe, Accessible and Built for Everyone		_Inclusive and Connected Community	

BACKGROUND

Staff will provide an update on GIS mapping planning efforts, including a discussion of proposed layers. The update will identify data that is currently available, note any gaps in data, and where relevant data is sourced and maintained.

Examples from other cities are linked below:

St. Anthony Village: <https://datalink.wsbeng.com/StAnthony-Sustainability/>

Charlottesville, Virginia: <https://gisweb.charlottesville.org/Citygreen/>
