Subject: Thank you Deanna

Dear Deanna,

On behalf of our entire organization, I extend our deepest gratitude to the City of Columbia Heights for graciously hosting our annual conference. Your warm hospitality, excellent facilities, and unwavering support have made this event truly memorable.

Columbia Heights is not just a city; it is a community that embodies inclusivity, cultural richness, and a spirit of togetherness. From the moment we arrived, we felt welcomed and embraced.

We are especially grateful to you for allowing us to host despite the miscommunication we had initially.

Again thank you for your hospitality, your generosity, and your unwavering support. We look forward to future opportunities to return and continue building strong partnerships with this wonderful city.

With heartfelt appreciation.
