Subject: Reserving the Party Event Wagon for Sept 13,2025.

To Parks and Recreation Commission Members,

HeightsNEXT would like to request that the Parks and Recreation department waive the cost of renting the party wagon for the Columbia Heights Pride Festival on Saturday, September 13, 2025 which is being held at Kordiak Park. We would need to use it from approximately 8:00 am – 5:00pm.

We submit this request because this event is not a fundraising effort for the organization.

Any money collected from vendors is used to pay performers or to pay for sound equipment.

We believe this free, family-friendly event is of great benefit to Columbia Heights by providing a community gathering.

The great turnout of the festival in recent years is evidence that this event is wanted—and needed. In addition, it will be a lot of fun!

Thank you for considering our request.

Angie Nielsen
Columbia Heights Pride Committee
