

Soccer Field Project

Visualizing a Future Soccer Facility

August 26, 2026

Questions to Consider for Each Facility

1 What features or characteristics do you like?

2 What do you dislike, or what appears to be missing?

3 Who do you believe the facility is intended to serve?

4 What community needs or potential project goals could the facility help address?

5 What challenges could the facility present related to scheduling, maintenance, or operations?
