

Comprehensive Plan Review Committee Applications

Application Date	First Name	Last Name	Why are you interested in serving on the Comprehensive Plan Review Committee?	Please indicate what (if any) evenings you are not available for meetings:
9/28/2026	April	Held	I want to ensure Columbia Heights is an accessible and vital community moving forward. Walkability, universal access to necessities like food, shelter, medical care, and education, as well as thriving hyper local businesses are my top priorities.	
9/28/2026	Judah	Scharnhorst	I have many ideas about where I would like the city to go and would like to have my voice heard and be a part of the discussions! I am currently running for city council but would like to show my interest in being involved after the election is over.	Friday
9/28/2026	Jamaal	Gilbert	We've lived in this city for almost five years and have become more and more interested in its growth and success! CH is a gem and we want to see it remain a great place for families to land and thrive. Additionally, seeing the community come to life in mutual aid back in January was deeply inspiring and our family wants to stay connected to the good things happening here in Heights.	Wednesday Friday
9/26/2026	Sarah	Blum	As a dedicated resident of Columbia Heights, I am invested in shaping a resilient and thriving future for our city. As an avid visitor of state and regional parks, my connection to nature drives my strong interest in advising on the Parks and Trails and Climate aspects of the Imagine 2050 plan. Additionally, I recognize the urgency of addressing our regional housing shortage, and am committed to policies that keep Columbia Heights a welcoming and accessible home for people of all backgrounds.
