

SULLIVAN LAKE PARK – PLAY EQUIPMENT

CITY OF COLUMBIA HEIGHTS

PLAY ELEMENTS

Below are examples of play equipment that can be incorporated into the Sullivan Lake Playground, organized by the use zones established in the final plan and aligned with overall budget ranges. The final equipment package may vary from what is shown; these examples are intended to illustrate design intent. Each option reflects a different playground representative in the market and the manufacturers they represent.

OPTION A

LINES REPRESENTED: Earthscape, Playworld, Berliner, TrekFit, Outdoor Fit, Cre8Play

LINES SHOWN: Playworld and Earthscape

Prices are approximate. Prices shown in U.S. dollars. Prices do not include freight, custom fees, surfacing, or installation.
