**BACKGROUND:** Staff prepared specifications for the Annual Miscellaneous Concrete Repair Program to replace/install concrete throughout the city. Plans and specifications were advertised for bids in LIFE on April 9, 2021 and electronically on the City's website and through Quest Construction Data Network on April 9 and April 8, 2021 respectively. Six contractors requested a copy of the bidding documents. Three bids were received and publicly read aloud at the April 20, 2021 bid opening. A copy of the bid opening minutes is attached.

**ANALYSIS/CONCLUSIONS:** The low bid was submitted by Standard Sidewalk, Inc. of Blaine, Minnesota, in the amount of \$32,795.00. The unit prices are about 2% lower than the 2020 project.

Specific items replaced or repaired under the Miscellaneous Concrete Program base bid include structures such as curb and gutter, sidewalk, alley and street panels. The concrete replacement is budgeted for in the Public Works Department budgets, such as the Water Fund for repairs of damaged concrete caused by water main breaks.

Based upon the bids received, Standard Sidewalk, Inc. of Blaine, Minnesota is the low, qualified, responsible bidder. Staff is recommending award of the bid to Standard Sidewalk.
