

RESOLUTION NO. 2026-006

AMENDING FUND 437 INFORMATION TECHNOLOGY CAPITAL EQUIPMENT AND FUND 720 INFORMATION TECHNOLOGY OPERATING BUDGET TO APPROPRIATE FUNDS FOR HOST SERVER HARDWARE AND SOFTWARE

The City of Columbia Heights Information Technology Department operates server infrastructure to host virtual guest operating systems that support City-wide internal and external applications.

These host servers are routinely replaced on a four- to six-year lifecycle to maintain reliability, security, and performance.

The Information Technology Department has developed a plan to replace aging host servers that requires the purchase of additional hardware and software.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Columbia Heights that the Information Technology Capital Equipment budget is amended to appropriate an additional \$45,000.00 from Fund 437 for the purchase of host server hardware, and the 2026 Information Technology Operating budget is amended to appropriate an additional \$45,000.00 from Fund 720 for the purchase of related software.

Passed this _____ day of _____, 2026
