- Any questions, contact Stefan, stefan@ice-sys.com, extension 101

In conjunction with, or separate from the sale of Proxmox, ICE Systems separately contracts with customers and end users to provide support service, either directly or through third-party vendors selected by ICE Systems, (the "Contracted Services"). By purchasing the Contracted Services online, through the ICE Systems website, or by a separate Invoice or Purchase Order, the Customer agrees that ICE Systems LLC is exempt from Buyer's published PO Terms and Conditions, and any PO Quality Requirements, including, but not limited to, any FAR/DFAR/ITAR requirements, and that the Contracted Services shall be governed by the ICE Systems Standard Terms and Conditions contained on the ICE Systems website located at <https://www.icesys.co/terms-and-conditions>. These terms and conditions take precedence over any others referenced, including those from the customer.
