

## **Agenda Item Report**

**Meeting Type: Plan Commission** 

Meeting Date: July 10, 2025

**Item Title:** Amending 114-47 of the municipal code - appointment of Zoning and Deputy

Zoning Administrator

Submitted By: Mike Kornmann, Director of Community and Economic Development

## **Detailed Description of Subject Matter:**

Historically, the zoning administrator has been appointed by the City Council. And, currently there is not a position of Deputy Zoning administrator. These ordinance changes move personnel decisions to the City Administrator. Furthermore, the creation of a Deputy Zoning Administrator allows for greater capacity to issue permits and provide enforcement. In addition, it provides the capacity for zoning matters to be staffed if there would be a vacancy or the Zoning Administrator is disabled for a period of time. This approach is common in many communities.
