Item Title: Zoning map amendment of Cardinal Heights Plat

Submitted By: Mike Kornmann, Director of Community and Economic Development

Detailed Description of Subject Matter:

The request for the rezoning of Cardinal Heights is to implement the City's approved developer's agreement with Lamp's Landing. The agreement includes the development of about 16 single family homes and one multi-family building with 39-42 units. The request is to change the zoning from Rural Development to Residential 3 and Residential 4 (multi-family).

The request is consistent with the City's comprehensive plan in several ways.

- The future land use map identifies the parcel as single family with parcels adjacent to the parcel as multi-family
- The plan directs multi-family uses to arterial road locations and in proximity to highway interchanges
- Policies in the plan include the support for a variety of housing types and lots sizes.

The proposed zoning is also compatible with the surrounding zoning (see attached zoning map). Multi-family is located across the street and R1 is located to the north. The proposed R3 is for the single family lots on the north section of the property and east and west ends. R3 does not allow for multi-family and any two-family homes are permitted by conditional use. No two-family homes are proposed however. The multi-family lot (Lot 1) is on the south side of the plat adjacent to Park Avenue; and is proposed to be R4.
