WE ARE PLEASED TO QUOTE AS FOLLOWS:

Item	Part number	Description	Outline drawing	Quantity	Net price each	Lead time EXW (ARO)
1	015B0120AQ	LCRJ - 15.0 kV bushing	T015B0120AQ	4	\$ 4,986.00	24 - 26 weeks

Item 1 details

Bushing style	015B0120AQ
Bushing outline drawing	T015B0120AQ
Bushing type	LCRJ
System voltage (kV)	15.0
BIL (kV)	110
Rated current (A)	Transformer 1200
Creep (in)	11.66
CT space (in)	Transformer 21.00
Color	Gray
Maximum altitude (ft)	10000.00
Mounting (from vertical)	0-20°
Product Code CID	9AAC30400022
Factory BALID	9AAE328396

Please see outline drawing for further details

Item Comments

Item 1 • The replacement for B3C012DY4A is 015B0120AQ.

General Terms and Conditions of Sale

This quotation is effective for 30 days from April 25, 2025, unless otherwise authorized by Hitachi Energy.

Unless stated otherwise in this quotation, the following terms and conditions of sale will apply.

1. Shipment is CPT - Carriage paid to First US Destination.
2. Payment terms: due in 30 days invoice date.
3. Terms and conditions of sale are based upon Hitachi Energy USA Inc. General Terms and Conditions.
4. Prices are net each in US dollars.
5. Lead times are quoted as ship dates from the factory beginning after the receipt of an order (ARO).
6. Quoted lead times are based on current production levels. Actual lead times are dependent on available production space at time of order entry.
7. "Force Majeure. Hitachi Energy shall neither be liable for loss, damage, detention or delay nor be deemed to be in default for failure to perform when prevented from doing so by causes beyond its reasonable control including, but not limited to, acts of war (declared or undeclared), Acts of God, fire, strike, labor difficulties, acts or omissions of any governmental authority, compliance with government regulations, insurrection or riot, epidemic, pandemic (including coronavirus (COVID-19)), embargo, delays or shortages in transportation or inability to obtain necessary labor, materials, or manufacturing facilities from usual sources or from defects or delays in the performance of its suppliers or subcontractors due to any of the foregoing enumerated causes. In the event of delay due to any such cause, the date of delivery will be extended by period equal to the delay plus a reasonable time to resume production.
8. Change in Laws. Hitachi Energy shall comply with all federal, state and local laws, rules, regulations, ordinances, statutes, orders, codes and practices ("Applicable Laws"). If there is a change in any of the Applicable Laws after a purchase order is issued, Hitachi Energy shall notify Customer, and the parties agree to meet in good faith to discuss such change. The price and time to perform the work, shall be increased or decreased, based on the change and consistent with the time and price to perform the original scope of work. For purposes of this provision, "Change in Law" means any change in any Applicable Laws or Applicable Codes and Standards as in effect on the Effective Date, including the enactment, adoption, promulgation, implementation of laws passed but not yet effective or imposition of any new Applicable Laws with substantively different terms, or change in the application or in the interpretation by any governmental authority of any Applicable Laws after the Effective Date. Any tariffs/custom duties, import/export restrictions or embargoes that may result from any executive orders, proclamations or other Applicable Laws that have been or will be issued after January 20th, 2025 shall be considered a 'Change in Law' event and entitle Hitachi Energy to equitable adjustment of cost and price and extension of time of performance.

Thank you for the inquiry. Should this quotation result in an order, please address PO to:
