

Agenda Item Report

Meeting Type: Utility Commission

Meeting Date: April 17, 2025

Item Title: Consider and take action on authorization to decommission substation 1

Submitted By: Matt Amundson, City Administrator & Dalton Hiley, Lead Lineman

Detailed Description of Subject Matter:

The 2025 budget includes \$20,000 to decommission substation 1. The work includes installing two step down transformers in two locations of the city to be able to take substation 1 down. A majority of the work will be done by Utility staff.
