**Applicant Name:** Barbera Oelke

**Organization Name:** Wyvern's Trove

**Applying for:** Total of \$833.33 in Event Funding to help offset cost of the 2026 Quilt Show and Workshop.

**Use of Funds:** Wyverns Trove will spend around \$2,500 this year's Quilt Show and Workshop for additional crafting tools and materials (\$1,500), shelving/storage (\$400), and advertising (\$600).

We want to improve on our annual Quilt Show, Sale, and Workshop. The new poles for displaying quilts last year were very popular and we hope to expand the quilt workshop as well as the length of the "show" part of the event to four days, which should encourage more participants to stay in town, by offering more activities suitable for beginners, including basic embellishment (in the form of more, different National Quilt Project blocks and beginner quilting techniques classes, prior to the intermediate quilt workshop).

More attendees require more tools as well as fabric kits and other craft materials. In addition, we plan on wider, targeted advertising, mostly in the form of sponsorships at quilting events around the state and mailings to quilt groups around the state and in neighboring states.

**Supporting Materials:**

- Pricing and display of planned purchases of materials/tools and storage
- Analytics from previous event
- Photos from previous event
