

Columbus PTO Color Run Intent Statement

The Columbus PTO is an organization dedicated to the success of both teachers and students in K-8th grade. We strive to enhance the elementary and middle school experience for our students by developing a comprehensive system of support with teachers and parents. Our goal is to get parents involved in their children's schools, raise funds to grow opportunities for our students and teachers, encourage and facilitate communication with teachers, all while promoting a positive school spirit.

We strive to provide one student and family-oriented event each month of the school year, and as we begin our 2026-2027 school year we would like to kick off with a day of fun and fitness. This year the Columbus PTO is organizing our 4th Color Run! On September 27th we are encouraging students and their families to participate in a Color Run through the Columbus Fireman's Park. (Please see the enclosed map for full route details) What better way for families to gather and students to have fun, all while getting doused in colored chalk, which is bound to bring smiles and laughter to all! Participants will also have the opportunity to purchase t-shirts and wear them during the run, which are designed to showcase the colors.

We appreciate that we have such an exceptional location in our community to enjoy an event such as this. Our plan is to stagger different ages throughout the morning so that all of the students can safely enjoy the Color Run. The Columbus PTO thanks the city for working with us in the coordination of road closures to further ensure the safety of our students. We look forward to this event and hope to see some of you stop on by!

Yours Respectfully,

Janet Sawyer

Vice President
Columbus PTO
