**Submitted By:** Matt Amundson, City Administrator

**Detailed Description of Subject Matter:**

I received the attached information the week of September 9<sup>th</sup> as we have been working with Enterprise to see if a lease program would make long-term financial sense for the City. I am meeting with Enterprise on Friday, September 13<sup>th</sup> to discuss in greater detail and be prepared for the discussion with the Committee of the Whole. If there is interest in moving in this direction there is still time for the budget to reflect this approach
