

Agenda Item Report

Meeting Type: Council

Meeting Date: November 19, 2024

Item Title: Water Quality Trading Agreement with Stibb Farms

Submitted By: Matt Amundson, City Administrator

Detailed Description of Subject Matter:

This is an extension of an initial 5 year term with Stibb Farms. The Water Quality Trading program allows the City to more cost effectively remove pollutants with the same or greater water quality benefit. This program allows us to comply with our permit requirements at a reduced cost to our rate payers.
