

Agenda Item Report

Meeting Type: City Council

Meeting Date: January 21, 2025

Item Title: Zion Lutheran Conditional Use Permit

Submitted By: Michael Kornmann, Director of Community and Economic Development

Detailed Description of Subject Matter:

The Plan Commission recommended approval of the CUP with the conditions listed below.

Background: The application discusses the expansion of the school in phase one and the addition of a gymnasium in phase two. The access through the site to Fuller Street is removed creating the need for a fire hydrant in the center of the site. Parking stalls meet the code as required and so a parking reduction request is not necessary. The City Engineer has included a review in the attached letter.

One phone call and one email was received regarding the proposed CUP. Both requests were inquiring about more information. No one spoke at the public hearing.
