Required Attachments

1. Project Plans that identifies the work to be completed. The project plan should include building plans, specifications and bids received for the project.
2. Submit photos of building before and after work has been completed.
3. Renderings or Building Elevations of the proposed project.
4. Commitments for all funding sources.

The Columbus Area Historical Society recently purchased 152 and 152 ½ W James St. In addition to interior renovations, the organization needs to make needed updates and repairs to the exterior of the property which includes:

- Exterior paint on both exterior addresses to remove and refresh the peeling paint
- Trim replacement where there is some rot and broken pieces
- Hang a sign from the existing bracket to identify the museum's presence; this sign is being manufactured by the same vendor who created the exterior sign at The Bombshell so there is consistency in appearance and also adheres to a visual that is period correct
- Install storm windows on the 2nd story apartment windows of which there are three
- Hand paint the building numbers (152) on the glass entrance door to match the existing building numbers on the door to the rental unit above 152 W. James St- 152 ½ W. James St. which will be done by a local artist with an investment in the community

We have reached out to multiple vendors to obtain estimates for each area of improvement, though not all providers responded to a request for an estimate/quote. After having met with 360 Painting, it was learned that they do extensive work for the historical societies in both Fond du Lac and Oshkosh and are familiar with historic preservation and feel that this is a good match for our project. We did reach out to local painters and did not get a response back from them.

The sign estimate came from a vendor in Madison who designed the sign for The Bombshell salon. A local vendor/artist was also contacted and communication stopped after initial contact.

The Property Committee for the Historical Society has looked to several window installation companies and have found Hometown Glass and Improvement in Beaver Dam to be the only vendor who is able to access storm windows the size of the window needed on the 2nd story of the building.

Attached you will find:

- 360 Painting estimate of **\$6900.71** This includes the cost of also painting the two storm windows in the rear of the building as well as the carriage doors which can be viewed from Dickason Blvd.
- Trim for the front of the building purchased from Menards and installed by members of the CAHS **\$79.98**
- Sign to hang in front of the building (152 W. James St.) on the existing 48-inch bracket identifying the museum to the community **\$493.09**
- Storm windows from Hometown Glass and Improvement **\$2588.00**
- Hand painted numbers to be done Sherry Culhane, cost includes supplies and time **\$100**

TOTAL COST: \$10,161.78

About Us

We are a husband and wife business that is committed to bringing beauty to your home or business inside and out. 360 Painting of Madison was opened to bring families and business in the surrounding area a high quality, customer centric solution for all painting needs.

360 Painting - Madison & Oshkosh was started in 2005, there are now over 100 locations in the United States. We focus ourselves on these three core values:

- **Quality** – Every 360° Painting location measures its results against exacting and uncompromising quality standards. We distinguish ourselves from other painting companies through our use of premium paints, high-quality finishes, and proven painting methods. Our painters work carefully and meticulously to ensure a smooth, flawless, eye-catching finish on every project.
- **Professionalism** – At 360° Painting, we know how inconvenient it can be to have a stranger painting your home or business. Our painting company is committed to professional and responsive painting services. Our painters will help coordinate and plan your project, will treat your property with the utmost respect, and will ensure your project is completed in a timely manner.
- **Customer Service** – Your satisfaction is our painting company's number one priority. Before laying a single brushstroke, we will make sure that we understand your vision for your home or business, and we will do all that we can to make that vision a reality. We do not consider work complete until you've voiced your full satisfaction.

The following are some further details about our limited warranty stipulations.

This limited warranty DOES NOT COVER:

- Work not performed by the Contractor.
- Work for which the Contractor did not supply the paint or other materials.
- Varnished surfaces.
- Surfaces made of, or containing, galvanized metal.
- The cost of paint required to perform the repairs.
- Repairs to the horizontal surfaces or any surfaces that, by virtue of their design, permits moisture to collect. Surfaces include, but are not limited to: decks, railings, stairs, porches, roofs, and wood gutters.
- Exact paint match, as environmental conditions will affect the color and finish of all paints over time.
- Any repairs which are necessitated as a result of a defect in the paint regardless of whether the paint was supplied by the Contractor or the customer.
- Bleeding caused by knots, rust or cedar.
- Cracks in drywall, plaster, or wood.
- Peeling, blistering or chipping where they are caused by:
 - Mill-glazing from smooth cedar.
 - Ordinary wear and tear.
 - Abnormal use or misuse
- Peeling of layers of paint existing prior to the work performed by the Contractor.
- Structural defects.
- Settling or movement.
- Moisture content of the substrate.
- Abrasion, mechanical damage, abrasive cleaning, abuse, or damage resulting from use of chemicals or cleaning agents or exposure to harmful solids, liquids or gases.
- Damage or defects caused in whole or in part by reason of fire, explosion, floods, acts of God, extreme weather conditions, misuse, alterations, abuse, vandalism, negligence, or any other similar causes beyond the control of the Contractor.

Repairs under this limited warranty will be performed only on the specific areas where peeling, blistering or chipping has occurred and only to the level of surface preparation.

For this warranty to be valid, you must:

- Pay the full contract price.
- Retain a copy of the original contract.
- Retain a copy of your cancelled check or other evidence of payment in full.
- Pay for all materials used to perform the repairs.
- Make the property accessible to the Contractor, or his employees, to perform the repairs.

This limited warranty is the only express warranty made by the Contractor and is in lieu of all other warranties, express or implied. This warranty covers only those services provided by the Contractor to the original purchaser named on the front of this contract. In no event shall the Contractor be liable for incidental or consequential damages or damages in excess of the original contract price. This warranty may not be altered or extended for any purpose unless done so in writing in a document executed by all parties to this contract.

This warranty gives you specific legal rights. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

For warranty services, you should contact your Contractor to schedule an inspection of your property by calling 360° Painting at 866.99.PAINT.

Preparation

The following procedures will be applied as necessary to your particular job under normal conditions:

- Drop cloths will be used as needed around the home to protect surfaces and landscaping
- Scrape to remove loose/peeling paint due to previous paint failure. Sanding will not be done unless specifically noted.
- Caulk cracks in wood trim and along wall/trim interface
- Apply a stain sealing primer to water and tannin wood stains
- Some hardware to be removed and reinstalled based on what makes the most sense on each job. Items like house numbers, attached mailboxes, shutters, and downspouts will be removed and painted behind where reasonable. Gutters and other more permanent fixtures will be painted around on a best-effort basis.
- Work areas will be cleaned-up and debris will be taken away
- Upon completion, left over paint will be labeled and left at the job site

Coverage

- Apply two (2) coats (unless noted otherwise) of exterior latex (Satin) paint of highest quality to body, and trim according to proposal.

Insurance

- We carry Liability insurance and workman's compensation insurance as applicable. See Insurance Page for more information

- 360 Painting - Madison & Oshkosh warrants labor and material for a period of two (2) years. If paint failure appears, we will supply labor and materials to correct the condition without cost. This warranty is in lieu of all other warranties, expressed or implied. Our responsibility is limited to correcting the condition as indicated above.
- This warranty excludes, and in no event will 360 Painting - Madison & Oshkosh be responsible for consequential or incidental damages caused by accident or abuse, temperature changes, settlement or moisture; i.e., cracks caused by expansion and/or contraction. Cracks will be properly prepared as indicated at time of job, but will not be covered under this warranty.
- Horizontal walking surfaces are excluded from this warranty.

Work Standard

- All work is to be completed in a workman like manner according to standard practices. Worker/s will remain on job until completion of project. Work site will be cleaned daily and upon project completion. All agreements are contingent upon strikes, accidents, or delays beyond our control.
- Work procedures as per standards of the PDCA (Painting and Decorating Contractors of America) P1-92, P2-92, P3-93, P4-94, P5-94, P7-99 and P6-99.
- The painting contractor will produce a "properly painted surface". A "properly painted surface" is one that is uniform in color and sheen. It is one that is free of foreign material, lumps, skins, sags, holidays, misses, strike-through, or insufficient coverage. It is a surface that is free of drips, spatters, spills, or over-spray which the contractors' workforce causes. Compliance to meeting the criteria of a "properly painted surface" shall be determined when viewed without magnification at a distance of five feet or more under normal lighting conditions and from a normal viewing position.

Customer Responsibility

Please take specific note of job description.

- Colors must be chosen one (1) week prior to start date. An additional cost will be charged for color changes made after commencement of work.
- Please remove all window and door screens
- Please have fragile or breakable items and electronics moved out of work areas prior to start of project.
- Alarms must be turned off while work is in progress.
- If doors, garage doors, or windows are painted they will need to be left open for a period of time to thoroughly dry.
- Occupants must vacate work area while job is in progress.
- All shrubbery, trees, and stationary plants must be trimmed or moved at least 2 feet from all painted surfaces.
- Projects are quoted according to specifications provided by the customer and documented on the signed proposal before work begins. Changes in

the scope of work may incur additional charges.

- **Customer is to be available to meet with foreman on the last day of job**

Change Orders

- This is only a proposal and your acceptance is subject to our approval in order to make this contract binding.
- If after you agree to this work, you desire any changes of additional work, please contact us as the cost of all revisions must be agreed upon in writing. Workers are instructed not to undertake additional work without authorization.
- Starting date is to be agreed upon verbally. Changes may require additional cost.
- **It is essential that the work area be available to us, free from other trades. As a result of trade interference, 360 Painting - Madison & Oshkosh may leave the job and additional charges may be incurred.**
- Due to the concealed conditions of existing wall coverings, it may be impossible to estimate the labor of removal and preparation necessary to achieve a properly painted or wall papered surface. Under normal conditions wall covering can be removed properly without damage to the surface; however, sometimes the substrate has not been sealed properly or other hidden conditions may exist. Due to these factors, added labor and material cost may become necessary. If these conditions exist, the owner will be notified before further work commences.

COST

- We propose to furnish material and labor - complete and in accordance with the above specifications for the sum of all as stated above. Individual tasks, if selected, may require additional pricing. Price is valid for thirty (30) days, unless otherwise noted.

Acceptance of proposal

- You must sign this agreement in order to secure a start date.
- By signing this agreement, I acknowledge that I have read and understand the terms of this proposal.

Prices shown are valid today only.

Libby,

Please include this with our grant application. As president of the Columbus Area Historical Society (CAHS), I am verifying that CAHS has sufficient funds earmarked for our share of the project for which we are applying.
