

Agenda Item Report

Meeting Type: Historic Landmarks Preservation Commission

Meeting Date: February 17, 2026

Item Title: Consider and take action to begin the process of local historic designation of Fireman's Park, 1049 Park Ave.

Submitted By: David Bennett, Communications & Economic Development Coordinator

Detailed Description of Subject Matter:

The Historic Landmarks Preservation Commission has discussed possibly locally designating the Fireman's Park Pavilion and Rest Haven buildings. The park was listed on the State Register on October 17, 2003, and the National Register on February 25, 2004. Both the Pavilion and Rest Haven are contributing buildings, and the concrete wall is a contributing structure.

Staff has found that the park itself is state and nationally designated as a site and would recommend locally designating the site rather than the individual buildings within the park.
