

Agenda Item Report

Meeting Type: Tourism Commission

Meeting Date: May 5, 2025

Item Title: Discussion Regarding Digital Signage Updates

Submitted By: David Bennett, Communications & Economic Development Coordinator

Detailed Description of Subject Matter:

Staff have been contacted by the Recreation Department to help with research in digital signage for the Aquatic Center. Administration has expressed interest in digital signage as well. Tourism Commission could partner with departments or allow the City as an organization to pursue digital signage. This topic will be addressed at the appropriate staff-level meetings with Administration.
