

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Additional Sources for Pursuit Vehicle Buildout Services (Annual Contract) – Federal General Services Administration (GSA) Cooperative Contract and TIPS-USA Cooperative Contract
INITIATED BY:	Finance Department

It is requested that Council approve the annual contract for the purchase of Pursuit Vehicle Buildout Services from Dana Safety Supply, Inc. (Jacksonville, FL) and ProLogic ITS, LLC (Acworth, GA) as additional sources to provide these services. Purchases will be accomplished by cooperative purchase via Federal General Services Administration (GSA) Contract GS-07F-0512T (Dana Safety Supply, Inc.) and TIPS-USA Contract #240102 (ProLogic, ITS). The Public Safety Departments, and other departments, will obtain quotes from the vendors as the services are needed.

Due to the number of new and replacement vehicles purchased for Public Safety Departments, it is necessary to find additional sources to provide build-out (upfitting) services. These additional sources will enable Departments to get vehicles upfitted and on the streets as soon as possible, without relying on one vendor. The vendors will add another source for Public Safety Departments to utilize for the provision and installation of various ancillary equipment in pursuit vehicles, such as: light bars, sirens, prisoner restraint seats, radars, car video, laptops, etc. These services will be utilized by the Public Safety Departments on an “as needed” basis, as well as, other Departments as needed.

Purchases will be accomplished by Cooperative Purchase via Request for Proposal (RFP) # **47QSMD20R0001 initiated by GSA**, whereby **Dana Safety Supply** was one of the successful vendors contracted to provide Upfitting of Government-owned Emergency Response Vehicles to Provide Turn-Key Solutions. The contract, which commenced August 1, 2007, is good through July 31, 2027. General Services Administration (GSA) is the Federal purchasing cooperative providing products and services for purchase by state and local governments. The Procurement Ordinance, Article 9-101, authorizes the use of cooperative purchasing.

Purchases will also be accomplished by Cooperative Purchase via Request for Proposal (RFP) #**240102, initiated by The Interlocal Purchasing System (TIPS)**, whereby **ProLogic ITS** was one of the successful vendors contracted to provide Emergency Responder Supplies, Equipment and Services. The contract is good through March 31, 2027. The contract available under TIPS has been awarded by virtue of a public competitive procurement process compliant with State and Federal statutes. TIPS is an acronym for The Interlocal Purchasing System. TIPS is a national purchasing cooperative that offers access to competitively procured purchasing contracts to its membership. For governmental agencies such as public education organizations, higher education entities, and city or county governments, membership in a purchasing cooperative offers the following benefits: 1) Access to competitively procured contracts with quality vendors, 2) Savings of time and financial resources necessary to fulfill bid requirements, 3) Assistance with purchasing process by qualified TIPS staff and 4) Access to pricing based on a “national” high-profile contract. The RFP process utilized by TIPS meets the requirements of the City’s Procurement Ordinance; additionally, cooperative purchasing is authorized per Article 9-101 of the Procurement Ordinance.

Funds will be budgeted in the appropriate public safety departmental and other city departmental budgets for this ongoing expense, Automobiles or Light Trucks/SUVs.
