

COLUMBUS BOARD OF HEALTH

Meeting Minutes

Date: April 27, 2022

In keeping with CDC/GDPH COVID-19 Community Mitigation Recommendations the meeting was held by Conference Call.
 All reports were emailed to all board members.

Presiding: James Lopez, DDS

Attending Board Members: Sylvester McRae, MD; Devica Alappan, MD; Yasmin Cathright; Joy Adegbile, MD

Not Present: Mayor-Elect Berry "Skip" Henderson (Mayor office); Isaiah Hugley (City Mgr office)

Others Present: Beverley Townsend, MD; Joanne Strickland; Tori Endres, RN MSN; Asante' Hiltz, DrPH; Pam Kirkland; Kristi Ludy; Brandi Nelson; Patrick Peck; Jeannie Polhamus, RN (MCSD); Octavia White

Agenda Topic	Discussion	Decision	Responsibility
Call to order	<ul style="list-style-type: none"> • Dr. Lopez called the meeting to order at 1:00 pm • Secretary completed roll call • Dr. Lopez acknowledged a quorum was not initially present; 10 mins later a quorum was fully present 	None	None
Approval of Agenda	<p>Dr. Lopez:</p> <p>Referred to the March meeting agenda as delivered to all board members. With no questions or discussion from the members, asked for a motion for approval of the agenda.</p>	<p>Motioned by Dr. Alappan; seconded by Dr. Adegbile; approved by all members present</p>	None
Discussion and Approval of Minutes	<p>Dr. Lopez:</p> <p>Referred to minutes from March meeting as delivered to all board members. With one correction to minutes. Correction to change page 6 of 9 from the word 'mycobacterial infections' to 'mycobacterial abscesses'. Minutes were then approved.</p>	<p>Motioned by Yasmin Cathright; seconded by Dr. McRae; approved by all members present</p>	None
District Director's Report	<p>Dr. Lopez:</p> <p>Called for the Director's report</p> <p>Dr. Townsend:</p> <ul style="list-style-type: none"> • Mentioned that several members may be attending the City Address from the Mayor at this time. • Stated that we are still in the pandemic and will continue to 	None	None

	<p>function with mitigation efforts and monitoring services. Our current percent positivity rate is 3.5% which is up from the previous 2.7% in Columbus. Although Public Health is now mask optional, we will continue to mask during face-to-face meetings or close proximity to others and practice mitigation efforts such as masking.</p> <ul style="list-style-type: none"> • We will be reducing the testing hours and vaccination sites in the district due to decreased patient/client numbers. Also, much of the traffic is now going to pharmacies, other locations and available home tests. • Currently we are piloting a kiosk for COVID testing called the 'red box'. This may become the wave of the future for testing. At the kiosk, people can input their information, get a test dispensed, perform a self-swab, and drop the specimen directly back into the 'red box'. Test specimens are picked up daily. Once read, individual results are sent directly to the patient. The piloting location for the 'red box' is in Harris County. There are a few glitches however they are currently being worked through before we make the announcement to the public. • The new Vector Control building will be located on the backlot of the Columbus Health Department. Details to the new site is included in the meeting packet. • Current state and local staff will be receiving a \$5,000 cost of living increase. We hope that this increase will help with hiring. We have many dedicated people that have been around many years and the newer hires will help. We also note that the new people filling vacancies were not included in the budgeted monies that were allocated, only the existing employees. • Healthcare workers are very scarce and difficult to hire at this time. Many of them are choosing to go to other opportunities that pay much more. We anticipate some of the COVID monies and dollars to be pulled back.

	There were no questions.		None
Financial Report	<p>Joanne Strickland, District Administrator:</p> <p>Presented the FY22 financial overview, through the end of March 2022 sent to board members in the original packet.</p> <ul style="list-style-type: none"> We began FY22 with an original budget of \$6,120,536. We have had 4 revisions during this period and are currently working with a budget of \$6,849,329. Line 3 shows total expenses through the end of March are \$5,068,117.26 which is on target for 9 months of operations. Line 4 shows the comparison of expenses to last year with an increased variance of \$457,522.76. <p>As mentioned previously, we have moved to centralized accounting and have payrolls for the majority of our counties, making up the difference for the increase.</p> <p>Line 5 shows total fee income is \$844,080.70 and lines 6 through 17 shows the breakdown of fund sources and their comparison to the same time last year. Line 18 shows variance at a decrease of \$44,220.61 but again, we had three months of COVID-19 admin fees last year that we did not have this year. If you remove that balance, we are actually ahead in total fees of \$167,888.39, which shows we are on course in providing services to our community.</p> <p>Line 19 shows the prior year admin claiming income, which has not changed since last month since the state is behind on sending those funds down and currently at a decrease of \$18,424.15 as compared to the year before.</p> <ul style="list-style-type: none"> As always, we provide the backup Excel by line item for expenses and revenue sources by line item, Page 4 shows the total grants governed by the Columbus Board of Health (all are on target for the end of March). <p>There were no questions.</p>	The Financial Report is attached and made a part of these minutes.	None
Excused Absences	None	None	None

Old Business	None	None	None
New Business	None	None	None
Program Reports	<p>Epidemiology COVID 19 Update Brandi Nelson:</p> <ul style="list-style-type: none"> • Provided an update on “cluster of 3 pediatric patients in District 3-4 with lymphadenitis consistent with non-tuberculous mycobacterial infections after dental procedures at the same dental office.” The update mentions that as for district 7, we do not have an update of where they are with the investigation. <p>Dr. Lopez: In 2015 Georgia had the first outbreak; 2016 California had an outbreak; surgeries were required, and hospitalizations were horrendous. I want to publicly thank Brandi for reporting this to the board. I took action immediately and spoke with the Head of Oral Health in the State Public Health and had some correspondence with the top Epidemiologist. I wanted to get an article to the doctors regarding plastic surgery recourse.</p> <ul style="list-style-type: none"> • Omicron sublineages remain the dominate variant, circulating nationally and locally, accounting for nearly all genomic sequencing. Estimated sequencing in Region 4, BA.2 is 66.2% and BA 2.12.1 is 29.9%. In GA there has been a slight increase in cases within past week but difficult to predict if it is the beginning of a surge. This includes Muscogee County. • Provided highlights of the Epidemiology report as of 4/24/2022: • Confirmed COVID 19 cases to date: 32,158; 14 day confirmed cases/100K is 14; Probable COV-19 Antigen (AG) cases to date: 5,994; 14 day probable cases / 100K is 19; 14 day PCR positivity rate is 3%; 7 day PCR percentage positive is 3.5%; Level of transmission is moderate; Total hospitalizations is 2,408; Total confirmed deaths is 715; Percentage “fully vaccinated” is 43%; Primary series breakthrough cases is 17%. 	<p>None</p> <p>Program reports are attached and made a part of these minutes</p> <p>None</p>	

	<ul style="list-style-type: none"> • April 18th, the Federal Order requiring masks on public transportation and airports/airlines was lifted. • April 21st, CDC issued a Health Advisory to notify clinicians and public health authorities regarding a cluster of children identified with hepatitis and adenovirus infection in AL and the UK. See link for additional information on symptoms and testing: https://emergency.cdc.gov/han/2022/pdf/CDC_HAN_462.pdf • Dr. Alappan: We have been seeing cases of gastroenteritis and respiratory symptoms in children. We all need to be aware of the hepatitis symptoms. Thank you, Brandi for mentioning this issue. <p>No further questions / comments</p> <p>Public Information Pam Kirkland:</p> <ul style="list-style-type: none"> • We have weekly updates going out on March 28th and the last one went out on April 4th. Since we have had a large drop in COVID cases and vaccine numbers, we are no longer sending out weekly. We will pick up again if the situation warrants. • We had press releases go out on the 2nd with updates: Boosters are available in all Health Departments, National Infant Immunization Week (this week). • Interviews on World TB Day which was at the end of March; Interviews on the 2nd boosters with Channel 9, Channel 3, and also in the Columbus Ledger. • Our Social Media post was about (38) for the last month on Infant Immunizations, District Open Positions, Diabetes Prevention Program Class, continual 'Move It Monday' to get people to get out on Mondays and make an effort to get moving, exercise and become healthier, District Openings and Closings, Healthy Habits and Exercise Tips. • YOUTUBE channel with all our commercials and video 	
--	--	--

<p>interviews.</p> <ul style="list-style-type: none"> • Campaigns: HIV Syphilis testing through 6/22; HIV Care and Support through the month of June; COVID Home Testing kit ended 3/28. <p>No further questions / comments</p> <p>Environmental Health Kristy Ludy:</p> <p>Referred members to the Environmental Health report of activities covering the month of March which was emailed to all members.</p> <ul style="list-style-type: none"> • The Food and Service program has 684 permitted establishments, conducted 154 routine inspections, 1 follow up inspection, 8 initial inspections and 2 plan reviews. There were 22 informal inspections. • Conducted 1 ServSafe@ Certified Food Safety Manager (CFSM) Training and trained 13 Registrants/ Participants. • Public Swimming Pools, Spas, & Recreational Water Parks Program: there were 8 permitting/opening inspections, 1-re-inspection for permitting, and 1-routine inspection. • Tourist accommodations has 53 permitted establishments. We conducted 6 routine inspections. • Body Art Studios – currently 18 permitted studios, 16 of those received an unannounced inspection during the month of March. • Rabies Control there were 44 humans only exposure investigations, and 3 human/animal exposure investigations, 20 animals were confined. • 2 animals tested for rabies during the month which included one bat found alive in a resident’s living quarters with 5 human victims and 2 pet dogs potentially exposed to the bat. We were able to retrieve the bat and send out for testing which came back as negative for rabies. The other animal tested was an elderly dog that bit the owner and was later euthanized due to age. The dog was found 		
---	--	--

	<p>negative for rabies.</p> <ul style="list-style-type: none"> • Vector Control Program received 21 complaints and 20 complaint investigations performed. • On-Site Sewage Management Program issued 4 new system permits, 3 repair permits, conducted 3 repair inspections, there were 4 septic pumper vehicle inspections during the month of March. Received 2 complaints and completed 4 complaint investigations. <p>No further questions / comments.</p> <p>Nursing Tori Endres:</p> <p>Referred to the FY22 Nursing report representing services provided to patients through the month of March which was emailed to board members.</p> <ul style="list-style-type: none"> • We are still recruiting for a Nurse Manager for the Columbus Health Dept clinic. • Total patients receiving services during the reporting period is 13,573 (this includes the COVID vaccines as well as regular patients). • Community collaborations continue with monthly meetings and include MCAP, Child Fatality Review and CHINS via Zoom. • Community awareness activities continue with rapid COVID-19 testing for first responders, as well as clinical rotations for CSU BSN nursing students. • Activities for this time frame include continued COVID-19 testing with MAKO and LTS Lab, weekly COVID-19 conference calls, daily vaccinations clinics, Strike Team events (calendar attached), regular Nurse Manager meetings. Strike Team planning meeting occurring on Fridays, vaccines are administered to homebound patients as needed, and Scoliosis screenings for the Muscogee County School District. 	
--	--	--

	<ul style="list-style-type: none"> • Upcoming Activities include continued COVID-19 testing at HD clinics, Piggy Wiggly, with Public Health on Wheels at CSU and Strike Team Events. • Total COVID-19 vaccines administered since December 23, 2021, is 33,060. <p>No questions / comments.</p> <p>Additional comments:</p> <p>Joanne Strickland: Reminder to all board members that the next meeting is our Budget meeting. Everyone is requested to please attend.</p>		
Adjourned	<p>Dr. Lopez requested motion to adjourn. The meeting was adjourned at 1:39 p.m.</p>	<p>Motioned by Dr. Alappan and seconded by Dr. Adegbile.</p>	<p>None</p>
Respectfully submitted by: Octavia White, Administrative Assistant II			
NEXT BOARD OF HEALTH MEETING TO BE HELD IN PERSON
