

Sandra/Lindsey:

Please find the attached minutes from May's Recreation Advisory Board meeting. We have not had a quorum at the past meetings, so these are very late in getting approved.

Also, yesterday the board voted to remove Latshia Stephens-Archibald (District 3) and Shawn Souvenir (District 10); both for missing three consecutive meetings. We have a council nomination for District 10 that will be going to Council very soon. We are missing representation for Districts 3 and 6.

Thank you!
