- **Power Point Presentation**
- **Shared Some Pay Station Items to be Considered**
- **Great Feedback from the Public**

RESULTS OF PUBLIC FEEDBACK RECEIVED

- Based on comments and sentiments from those in attendance – the Parking Station Project has been placed on **PAUSE** for a number of reasons:

- 1. Overwhelming number of Business in attendance felt it was not the right time
- 2. Current Pandemic
- 3. Businesses operating only at a 50% capacity in most cases
- 4. Continue to work with Uptown, Bid and the Business Community

NEXT STEPS

- **Will work with Uptown, Bid and Uptown Businesses for remainder of the year and will look to address the issue again in 2022 if that time is right.**
