

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Intergovernmental Agreement with the Columbus Airport Commission
AGENDA SUMMARY:	Approval is requested to enter into an Intergovernmental Agreement with the Columbus Airport Commission to construct an airside electric charging station and a dedicated vertiport for the arrival/departure of electric vertical takeoff and lift (eVTOL) aircraft at the Columbus Airport.
INITIATED BY:	City Manager's Office

Recommendation: Approval is requested to enter into an Intergovernmental Agreement with the Columbus Airport Commission to construct of an airside electric charging station and a dedicated vertiport for the arrival/departure of electric vertical takeoff and lift (eVTOL) aircraft at the Columbus Airport.

Background: Advance Air Mobility focuses on transporting people and cargo at low altitudes within urban and suburban areas to expand the range of inter-city and regional travel. This initiative will posture Columbus to serve as the regional hub for eVTOL aircraft. The Georgia Department of Transportation (GDOT) conducted a study in 2024 to assess and develop a statewide action plan. Four Georgia airports currently have airside electric charging stations. Per Resolution 172-26, City Council approved the appropriation of \$2.2 million of TSPLOST Discretionary Funds for this project.

Analysis: The first commercial eVTOL aircraft will take flight in the U.S. this year. Georgia is seeing significant interest from industry for this infrastructure. The benefit of this type of infrastructure includes reduced emergency response times, increased range of access to the urban core, additional disaster response capabilities, stronger connection of rural areas to urban opportunities and others.

Financial Considerations: TSPLOST Discretionary funds are available in the FY27 Budget.

Legal Considerations: The City Attorney will review any related documents.

Recommendation/Action: Approval is requested to enter into an Intergovernmental Agreement with the Columbus Airport Commission to construct of an airside electric charging station and a dedicated vertiport for the arrival/departure of electric vertical takeoff and lift (eVTOL) aircraft at the Columbus Airport.

A RESOLUTION

A RESOLUTION OF THE COUNCIL OF COLUMBUS, GEORGIA, TO AUTHORIZE THE CITY MANAGER TO ENTER INTO AN INTERGOVERNMENTAL AGREEMENT WITH THE COLUMBUS AIRPORT COMMISSION TO CONSTRUCT AN AIRSIDE ELECTRIC CHARGING STATION AND DEDICATED VERTIPORT FOR THE ARRIVAL/DEPARTURE OF EVTOL AIRCRAFT AT THE COLUMBUS AIRPORT.

WHEREAS, the Advanced Air Mobility (AAM) focuses on transporting people and cargo at low altitudes within urban and suburban areas; and,

WHEREAS, the electric vertical takeoff and lift (eVTOL) aircraft are less expensive to operate and maintain; and,

WHEREAS, the U. S. Department of Transportation, the Federal Aviation Administration (FAA) and the Georgia Department of Transportation (GDOT) support the development of this infrastructure; and,

WHEREAS, the City desires to be part of the statewide network; and,

WHEREAS, the Columbus Airport has identified a location for the construction of the charging station and vertiport.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF COLUMBUS, GEORGIA, AS FOLLOWS:

The Council of Columbus, Georgia hereby authorizes the City Manager to execute an Intergovernmental Agreement with the Columbus Airport Commission for the construction of an airside electric charging station and a dedicated vertiport for the arrival/departure of eVTOL aircraft at the Columbus Airport for up to \$2.2 million of TSPLOST Discretionary Funds.

Introduced at a regular meeting of the Council of Columbus, Georgia held on the 27th day of October 2026 and adopted at said meeting by the affirmative vote of _____ members of said Council.
