

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Grab-All Truck for Public Works – Sourcewell Cooperative Contract
INITIATED BY:	Finance Department

It is requested that Council approve the purchase of one (1) grab-all truck (Pac-Mac KB-20), for Public Works, from Wastebuilt Environmental (Austell, GA), in the amount of \$146,760.00. The purchase will be accomplished by Cooperative Purchase, via Sourcewell Contract #041217-HMC.

The equipment was approved in the FY21 Budget and will be used by the Solid Waste Collection Division to collect bulk waste on daily routes. The City Manager has approved the Public Works Department to proceed with this capital purchase due to immediate need, resulting from the constant mechanical failures of older grab-alls. Out of a fleet of 12 grab-alls, the Solid Waste Collection Division is now averaging six to seven working grab-alls each week, with a staff of 10 drivers. The division has not been able to run 10 working grab-alls during a day in over a month; and is struggling to keep reasonably current for the Green Bulk and Non-green Bulk collections. This is replacement equipment.

The purchase will be accomplished by Cooperative Purchase via Request for Proposal (RFP) Contract #041217, initiated by Sourcewell, whereby PacMac, a Division of Hol-Mac Corporation was one of the successful vendors contracted to provide Waste and Recycling Equipment. The contract, which commenced July 7, 2017, is good through July 7, 2021, with an option to renew for a fifth year at the discretion of Sourcewell. Sourcewell is a Service Cooperative created by Minnesota Statute 123A.21. This statute was created in 1978 and revised in 1995 to allow participating governmental and municipal agencies to reduce the cost of purchased goods by leveraging their combined purchasing power. The RFP process utilized by Sourcewell meets the requirements of the City’s Procurement Ordinance; additionally, cooperative purchasing is authorized per Article 9-101 of the Procurement Ordinance. The purchase will be made through Wastebuilt Environmental, which is an authorized dealer of Pac-Mac products.

Funds are budgeted in the FY21 Budget: Integrated Waste Management Fund – Public Works – Solid Waste Collection – Heavy Trucks; 0207-260-3510-GARB-7723.
