Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Side Loader Recycling Trucks for Public Works – Cooperative Purchase
INITIATED BY:	Finance Department

It is requested that Council approve the purchase of eight (8) Side Loader Recycling Trucks (Heil 28CY DP-Python + 2021 Mack LR) from Carolina Environmental Systems (CES), at a unit cost of \$298,346.00 each, for a total amount of \$2,386,768.00, by Cooperative Purchasing, via Sourcewell Contract #091219-THC.

Public Works will use the side loader recycling trucks to pick up recycling refuse. The side loaders will eliminate the need for inmates to handle the containers, because the side loaders will mechanically lift and empty the containers.

The purchase will be accomplished by Cooperative Purchase via Request for Proposal (RFP) Contract #091219-THC, initiated by the National Joint Powers Alliance (NJPA) (now known as Sourcewell), whereby The Heil Company dba Heil Environmental was one of the successful vendors contracted to provide Mobile Refuse Collection Vehicles with Related Equipment, Accessories, and Services. The contract, which commenced November 15, 2019, is good through November 15, 2023, with an option to renew for a fifth year. Sourcewell is a Service Cooperative created by Minnesota Statute 123A.21. This statute was created in 1978 and revised in 1995 to allow participating governmental and municipal agencies to reduce the cost of purchased goods by leveraging their combined purchasing power. The RFP process utilized by Sourcewell meets the requirements of the City’s Procurement Ordinance; additionally, Cooperative Purchasing is authorized per Section 3-118 of the Procurement Ordinance. The purchase will be made through Carolina Environmental Systems, an authorized dealer for Heil Environmental.

Funds are available in the FY21 Budget via General Fund Reserves. However, purchases will be made from: Integrated Waste Management Fund – Public Works – Recycling – Heavy Trucks; 0207 – 260 –3520 – RCYL – 7723.
