

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Contract Extension for Pursuit Vehicle Build Out (Annual Contract) – RFP No. 13-0017
INITIATED BY:	Finance Department

It is requested that Council authorize the extension of the Pursuit Vehicle Build Out contract with Mobile Communications America, Inc., (Columbus, GA), (formally Columbus Communications, Inc., Columbus, GA), for an additional six-month period.

Mobile Communications America, is contracted to provide and install various ancillary equipment in pursuit vehicles, such as: Light Bars, Sirens, Prisoner Restraint Seats, Radars, Car Video, Laptops, etc. The contract extension is necessary to allow time for the currently advertised RFP to be completed and awarded. It will also allow Mobile Communications America, Inc. time to complete the installation on the FY21 vehicles that are just now being delivered, due to COVID.

Per Resolution No. 14-13, dated January 8, 2013, Council authorized a five-year contract with Columbus Communications, Inc. The contract expired on January 7, 2018. However, in accordance with Article 3-109 (Annual Contracts: Price Agreement and Service Contracts) of the Procurement Ordinance, and at the request of the Public Safety Departments, the contract was extended for one year, through January 7, 2019. Further, at the request of the Columbus Police Department and the Marshal’s Office, Council approved an additional 2-year extension per Resolution No. 019-19 on January 8, 2019, to allow time for the contractor to complete the build out for cars using parts that had been ordered. Consequently, Council approval is required for this final 6-month extension request.

Funds will be included in the appropriate public safety departmental expense budget as Automobiles or Light Trucks/SUVs.
