**October 23, 2024, meeting minutes approved.**

NFP consultants provided benefits update on their renewal with Anthem, with no cost increase for employees. Survey responses showed scheduling portion of the Open Enrollment process was not easy for employees.

CareATC consultant gave an update on PHA participation. PHAs will now start in June and run through the end of September. Walk-in appointments were reportedly taken before scheduled appointments, which caused issues for employees. CareATC now has an athletic trainer at the Health & Wellness Center.

The end of Tim Smith and Troy Vanerson's terms were discussed. The committee will discuss rollout plans at the April meeting.

Respectfully Submitted,

Destiny Chisolm

HR Administrative Assistant
