TRAINING AMMUNITION FOR POLICE DEPARTMENT:

On August 4, the Police Department notified the City Manager of the need to purchase 10,000 rounds of 9mm, 5,000 rounds of 12-gauge 00 Buck Shotgun, and 25,000 rounds of Winchester .556 Rifle ammunition.

The emergency purchase is needed because the City’ contractor for the ammunition is unable to deliver a pending order due to supply chain issues. The ammunition is required for training purposes.

The Police Department is able to purchase the ammunition from Central Arms (Mt Pleasant, MI), in the amount of \$26,700.00, who is able to deliver the needed ammunition in a timely manner.

The City Manager approved the emergency purchase on August 4, 2022.

Funding is budgeted in the FY23 Budget: General Fund – Police – CPD Training – Operating Materials; 0101 – 400 – 2900 – CTRN – 6728.
