It is requested that the multi-governmental fund be amended by the amount awarded plus the local match.
<b>INITIATED By:</b>	<b>District Attorney/Victim-Witness Assistance Program</b>

**Recommendation:** Approval is requested to authorize the District Attorney's Victim-Witness Assistance Program to submit and if approved, accept a grant for \$417,247 or as otherwise awarded from the Criminal Justice Coordinating Council of Georgia along with \$104,312 from the 5% Crime Victim Surcharge Fund allocated in the FY21 Budget to provide funding for Crime Victim Assistance in the Chattahoochee Judicial Circuit from October 1, 2020 to September 30, 2021. The grant no longer requires the use of volunteers; however, the entire 20% match could be provided with the use of volunteers. Volunteer hours are paid at \$15.00 per hour and, after proper submission, will reduce the amount of required cash match from the 5% Crime Victim Surcharge Fund. It is requested that the multi-governmental fund be amended by the amount awarded plus the local match.

**Background:** In July of 1989, the Office of the District Attorney began operating a Crime Victim Assistance Program. In October of 1992, the Victim-Witness Assistance Program was awarded the first Crime Victim Assistance Grant, thereby broadening the program for the provision of basic services. In July of 1995, additional funds were received from the 5% Crime Victim Surcharge Fund, thus allowing the program to expand services to the 6 counties within the Chattahoochee Judicial Circuit. Successful grant allocations since that time have sustained the program. The office currently employs a Director of Victim Services and 13 Victim Advocates.

**Analysis:** If approved for FY21, the Criminal Justice Coordinating Council of Georgia will allocate \$417,247 to Columbus Consolidated Government to support the Victim-Witness Assistance Program for the grant year October 1, 2020 through September 30, 2021. The Criminal Justice Coordinating Council of Georgia requires a 20% local match of the award which is \$104,312. This local match can be made up of volunteer hours or eligible In-Kind portions. The District Attorney requests Council's authorization to utilize \$104,312 from the 5% Crime Victim Surcharge Funds, which is the required local match. This amount could be less upon successful submission of volunteer hours.

The total amount of \$521,559 represents the salary, full benefits and local match for 11 Victim Advocates, management of a virtual therapy program, and allowances for travel, training and education.

**Financial Considerations:** The grant total is \$521,559 with the Federal allocation of \$417,247 along with \$104,312 from the 5% Crime Victim Surcharge Fund. Submission of eligible volunteer hours, along with other In-Kind Match sources could reduce the amount needed from the 5% Crime Victim Surcharge Funds.

**Projected Annual Fiscal Impact Statement:** Due to the local match in the form of cash coming from the 5% Crime Victim Surcharge Fund, there will be no annual fiscal impact as a result of this grant.

**Legal Considerations:** Georgia Law requires the District Attorney provide extensive services, information and notification to crime victims. (O.C.G.A.-17-17-1) The District Attorney is solely and directly responsible for complying with this law as mandated by the Victims' Bill of Rights. Legislature acknowledges that this mandate places additional burdens on prosecutors and have designed laws enabling utilization of the 5% Crime Victim Surcharge Fund to assist in easing said burdens.

**Recommendations/Actions:** Authorize submission and, if approved, acceptance of a grant in the amount of \$417,247 or as otherwise awarded from the Criminal Justice Coordinating Council of Georgia, along with \$104,312 from the 5% Crime Victim Surcharge Fund, in order to meet the legislative requirements mandated by the Victims' Bill of Rights. This action will provide the funding for positions, virtual therapy and allowances for travel, training and education.
