Council Meeting Agenda Item**

<b>TO:</b>	Mayor and Councilors
<b>AGENDA SUBJECT:</b>	Traffic Signal Equipment (Annual Contract)
<b>INITIATED BY:</b>	Finance Department

---

It is requested that Council authorize an extension of the annual contract for traffic signal equipment with Southern Lighting and Traffic (Cumming, GA), Temple, Inc. (Decatur, AL) and Utilicom Supply Associates (Norcross, GA) through January 31, 2021.

The contract extension is needed to allow completion of the new RFP evaluation process. Proposal submissions have been received for the RFP and are under the review of an Evaluation Committee. This extension is to allow vendors time to respond to clarifications requested by the Evaluation Committee, as well as, allow time for the completion of the evaluation and scoring process.

Per Resolution No. 318-14, dated October 14, 2014, Council authorized a one-year contract with four (4) twelve-month renewal options. The contract expired on October 13, 2019. However, in accordance with Article 3-109 (Annual Contracts: Price Agreement and Service Contracts) of the Procurement Ordinance, and at the request of the Engineering Department, Traffic Engineering Division, the contract was extended for one (1) year, through October 13, 2020. Council approval is required for extensions beyond the one-year extension.

Funds are budgeted each fiscal year for this on-going expense: General Fund – Engineering – Traffic Engineering – Operating Materials; 0101-250-2100-TRAF-6728.
