

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Electrostatic Decontamination Sprayers for Fire & EMS
INITIATED BY:	Finance Department

It is requested that Council approve the purchase of sixteen (16) Clorox Total 160 electrostatic decontamination sprayers from The Home Depot Pro Institutional (Jacksonville, FL) in the amount of \$56,007.79 (16 @ \$3,499.99, plus \$7.95 fuel charge). The purchase will be accomplished by cooperative purchase, via Georgia Statewide Contract #99999-001-SPD0000170-0002.

The Fire & EMS Department requires the equipment because of constant contact with multiple sick and injured patients throughout the day (some who are known to have been infected with COVID as well as other contagious viruses). The Clorox electrostatic sprayer has proven to kill 99% of germs and bacteria including COVID. The electrostatic sprayer allows the disinfectant to encapsulate the surface it is sprayed on and provides much better coverage than that of normal wiping. The sprayers will be placed at each fire station, Logistics, Training area and the Kolb Avenue classroom.

Funds are budgeted in the FY21 Budget: Multi Govt Project Fund – Fire & EMS – FY20 Assistance to Firefighters Grant – COVID19/Equipment; 0216 – 410 – 3944 – AFFG - 7764.
