# Clean Up Efforts

---

- Throughout the pandemic the city has experienced major issues with trash and uncleanliness of our community
- City has invested over \$10M+ to assist Public Works in their clean up efforts
- Working with the Police Department to make cases on people violating the litter ordinance – *A 'Zero Tolerance' Approach*

# Sign Removal

- Started an aggressive effort to get signs cleaned up on public right of ways with our Quality Control Team
- We have collected over 400 signs over the past few weekends in Districts 1, 2, 5 and 6
- Will continue to focus on sign removal
