TO:	Mayor and Councilors
AGENDA SUBJECT:	Declaration of Surplus Vehicles by Fleet Maintenance
INITIATED BY:	Finance Department

It is requested that Council declare as surplus, the two vehicles shown below, in accordance with Section 7-501 of the Charter of Columbus Consolidated Government. The vehicles have either been replaced or placed out of service due to excess maintenance cost.

VEHICLE NUMBER	MAKE	MODEL	VIN NUMBER
17803	Chevrolet	Tahoe	1GNLC2E03CR226629

The Fleet Maintenance Division scrapped the two vehicles because of catastrophic vehicle failures due to engine or frame damage.

These two vehicles were used as verification vehicles in the attempt to show the price difference when disposing of a vehicle as scrap metal versus being allowed to sale these type vehicles at the annual auction. The vehicles were stripped of all usable parts before being taken to the recycling facility.

Vehicle #17803 is a 2012 Chevrolet Tahoe, police pursuit vehicle; the scrap metal recycle amount was \$195.00. If sold at auction, the potential revenue could have been approximately \$2,500.00. Vehicle #11020 is a 2007 Chevrolet 2500 4-door pickup truck; the scrap metal recycle amount was \$223.00. If sold at auction, the potential revenue could have been approximately \$2500.

Proceeds from the scrapped vehicles will be deposited into Various Funds - Sale of Surplus Equipment Account 4907.
