Subject: [EXTERNAL] Resignation

Thank you for the opportunity to participate as a member of the Facade Board these past years. I regret to report that I have closed my business in Uptown and will therefore be forced to resign my post.

I would like to recommend Jason Gamache as my replacement, as he has a true heart and passion for Uptown and the small businesses that make it truly special. Jason is the owner of PTap, as well as many properties in Uptown Columbus and would be a real asset.

Good luck in your future endeavors. I wish you and all the small businesses much success in the future.

Thank you for your time and attention to this matter.

Sincerely,

Niki Gedroic
