Subject: [EXTERNAL] RE: September Summary Notes

Holli Browder and fellow board members,

I apologize for my absence from the previous meeting. After much thought I will not be submitting myself for a new term on the PARAB. Councilperson Garrett and I have someone who is interested in taking over my position for District 8.

I have greatly appreciated my time on the PARAB. The Parks and Rec department do amazing things in Columbus in the face of challenging circumstances. I will continue to promote the work they do. Thank you to them.

Thank you also to the other PARAB members who have volunteered their time while I have been on the board.

Sincerely,

Hayden Barnes
