

Dear Lisa Thomas-Cutts,

I hope this message finds you well. I am writing to formally resign from my position as a KCBC board member, effective immediately.

This decision is due to recent restrictions from my current employer that prevent my involvement in external organizational activities, such as board service. Although my term was scheduled to end in May, I believe it is best for both the organization and me to step down now.

It has been a privilege to serve on the board and support the mission of promoting recycling and environmental responsibility within the community. I am genuinely thankful for the chance to work alongside a dedicated group of individuals.

I continue to support the organization's mission and wish continued success in all future initiatives. Please let me know if there is anything I can do to help ensure a smooth transition.

Thank you again for the opportunity to serve.

Sincerely,
Kristasia Heath
