

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	2020 Brownfield Assessment Grant
AGENDA SUMMARY:	Approval is requested to apply, accept, and amend the Multi-Governmental Fund by the amount awarded up to \$300,000 from the Environmental Protection Agency (EPA). The grant funding will be utilized to conduct Brownfield Assessments of properties within the south and midtown areas of Columbus per the attached map.
INITIATED BY:	Community Reinvestment

Recommendation: Approval is requested to apply, accept, and amend the Multi-Governmental Fund by the amount awarded up to \$300,000 from the Environmental Protection Agency (EPA). The grant funding will be utilized to conduct Brownfield Assessments of properties within the south and midtown areas of Columbus per the attached map.

Background: The Environmental Protection Agency (EPA) has announced the FY 2020 Request for Brownfield Assessment and Cleanup Grant Proposals. Community Reinvestment is working with Terracon to develop a grant application to be submitted to EPA by December 3, 2019. If awarded the Brownfield Assessment Grant could provide up to \$300,000 to conduct environmental studies on properties located within Columbus, Georgia. The assessment will provide the City with information on the number of potentially environmentally contaminated properties that exist within the boundaries along the south and midtown areas of Columbus. This will be our first step in developing a plan for remediation in order for the properties to be redeveloped for future uses.

Analysis: If awarded the City could receive up to \$300,000 to conduct assessments of the properties within the south and midtown areas of Columbus to determine how many may be environmentally impacted. The report will be a useful tool for redevelopment purposes and can be used to potentially bring more grant funding to Columbus to clean-up some of the identified environmentally contaminated properties.

Financial Considerations: There will be no financial impact. There are no match requirements for this grant.

Legal Considerations: The City Attorney will review all grant agreements prior to obtaining the City Manager's signature.

Recommendation/Action: Approve the attached Resolution authorizing the City Manager to apply, accept, and amend the Multi-Governmental Fund by the amount awarded up to \$300,000

from the Environmental Protection Agency (EPA). The grant funding will be utilized to conduct Brownfield Assessments of properties within Columbus, Georgia.
