INITIATED BY:	City Manager's Office

Recommendation: Approval is requested to proceed with executing and funding the pre-construction requirements for Band 1 Transportation Special Purpose Local Option Sales Tax (TSPLOST) Projects that will be handled locally to include right of way acquisition, permanent and temporary construction easements, utility relocation, environmental mitigation and other necessary agreements to prepare projects for construction.

Background: In May 2022, voters in the River Valley District, of which Columbus is a part, approved a regional transportation special purpose local option sales tax (TSPLOST). This is also known as the Transportation Investment Act of 2010. This legislation authorized the funding of designated transportation projects as determined by a regional roundtable committee of local elected officials from the region and approved by the citizens. The collection of TSPLOST began January 1, 2023. The following list of Band 1 TSPLOST projects have been identified, budget estimates provided, managed by the city, and funded through 2022 TSPLOST:

Steam Mill Road - \$22,500,000

Whitesville Road Widening - \$12,800,000

Columbus Riverwalk Repaving and Maintenance - \$12,500,000

South Lumpkin Road Streetscapes - \$10,100,000

13th Ave./17th St./Linwood Blvd. Intersection Improvements - \$6,650,000

Liberty Theatre Block Enhancements - \$4,000,000

5th Ave. Trail Connector - \$690,000

The remaining Band 1 projects will be managed by the Georgia Department of Transportation. These projects include Brennan Road Improvements, Andrews Road Improvements, University Ave. Road Diet and Streetscapes, and Buena Vista Road Corridor Improvements.

Analysis: The completion of the pre-construction activities for road improvements, safety, and alternative transportation projects is required prior to the project being authorized for competitive bids.

Financial Considerations: Funding for said projects will be funded with the 2022 TSPLOST.

Legal Considerations: The City Attorney approves this resolution.

Recommendation/Action: Approve a resolution authorizing the City Manager to proceed with executing and funding the pre-construction requirements for Band 1 Transportation Special Purpose Local Option Sales Tax (TSPLOST) Projects that will be handled locally to include right of way acquisition, permanent and temporary construction easements, utility relocation, environmental mitigation and other necessary agreements to prepare projects for construction.
