

5th Avenue Trail Connector

March 11, 2025

Project Overview

Transportation Investment Act (TIA) 2

Band 1: 2023-2026

PI#: 0019537

This project will construct 0.5 miles of multi-use paths to connect the 14th Street Connector to the Linwood Connector.

Design Process

Data Collection – 5th Avenue @ 11th Street

West Side Conflicts

- Pedestrian Poles

East Side Conflicts

- Mast Arm Pole
- Traffic Signal Control Cabinet
 - Pull Box

Data Collection – 5th Avenue @ 12th Street

West Side Conflicts

- Sidewalk Grade Must Be Flattened for ADA Compliance
- Utility Meter/Valve Boxes

East Side Conflicts

- Steep Grade/Difficult ADA Compliance
 - Utility Conflicts
 - Impacts to Granite Wall
- Requires Additional Right-of-Way

Data Collection – 5th Avenue @ 13th Street

West Side Conflicts

Source: Dragonfly Trail Network

- Traffic Signal Control Cabinet
 - Utility Guy Wire/Anchor
 - Sanitary Sewer Manhole

East Side Conflicts

Source: Dragonfly Trail Network

- Stormwater Catch Basin

Data Collection – 5th Avenue Frontage N. of 13th St.

West Side Conflicts

Source: Dragonfly Trail Network

- AT&T Gate Entry Keypad

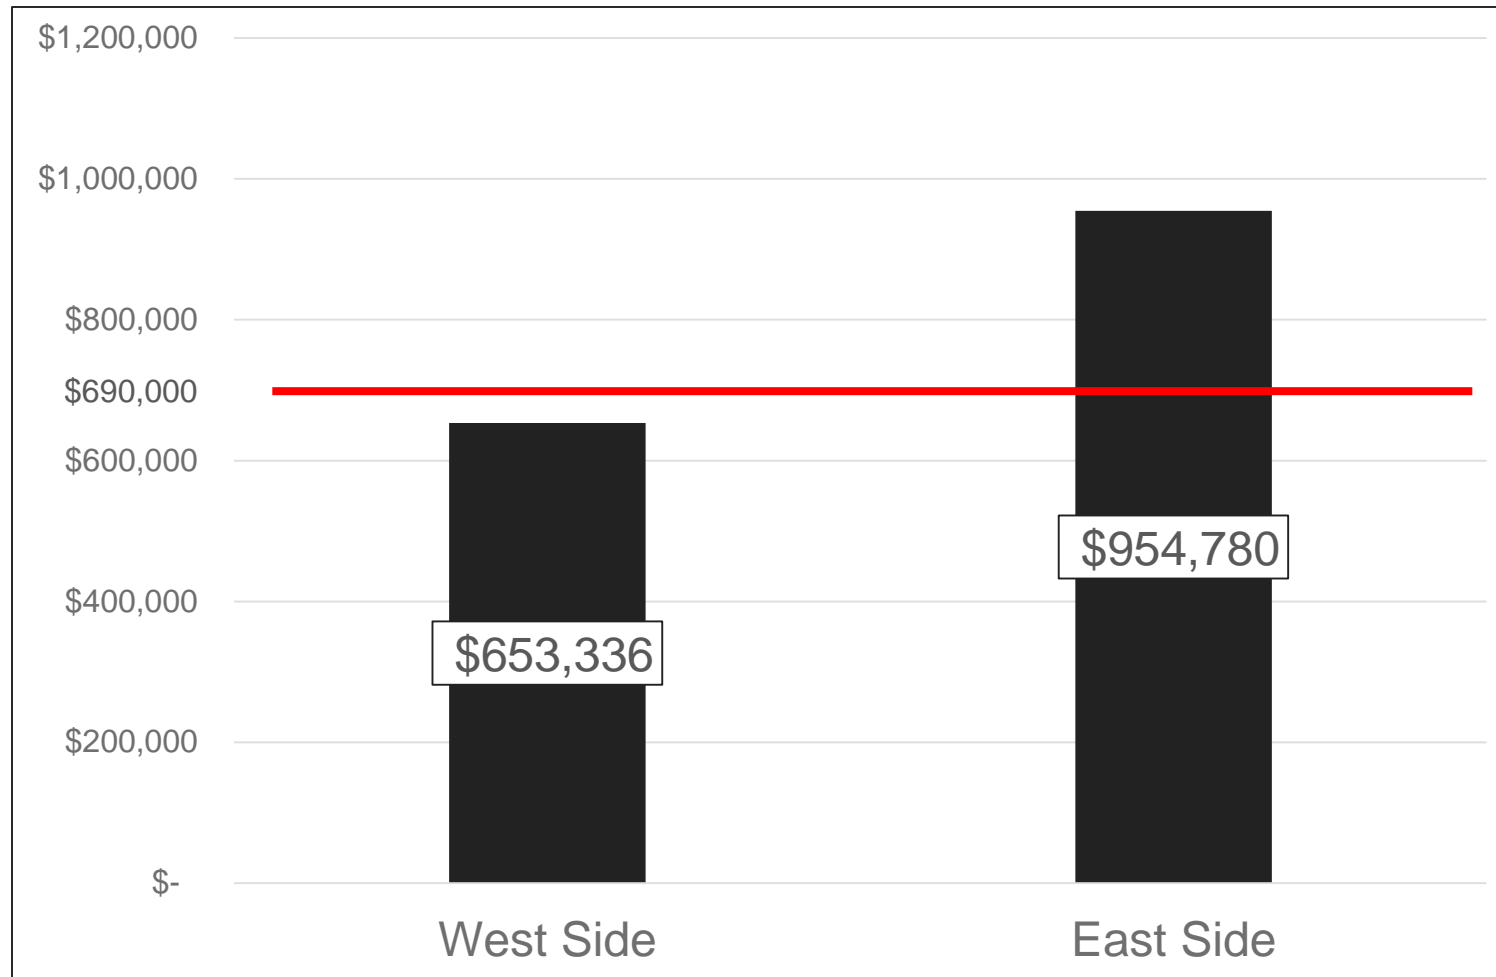

East Side Conflicts

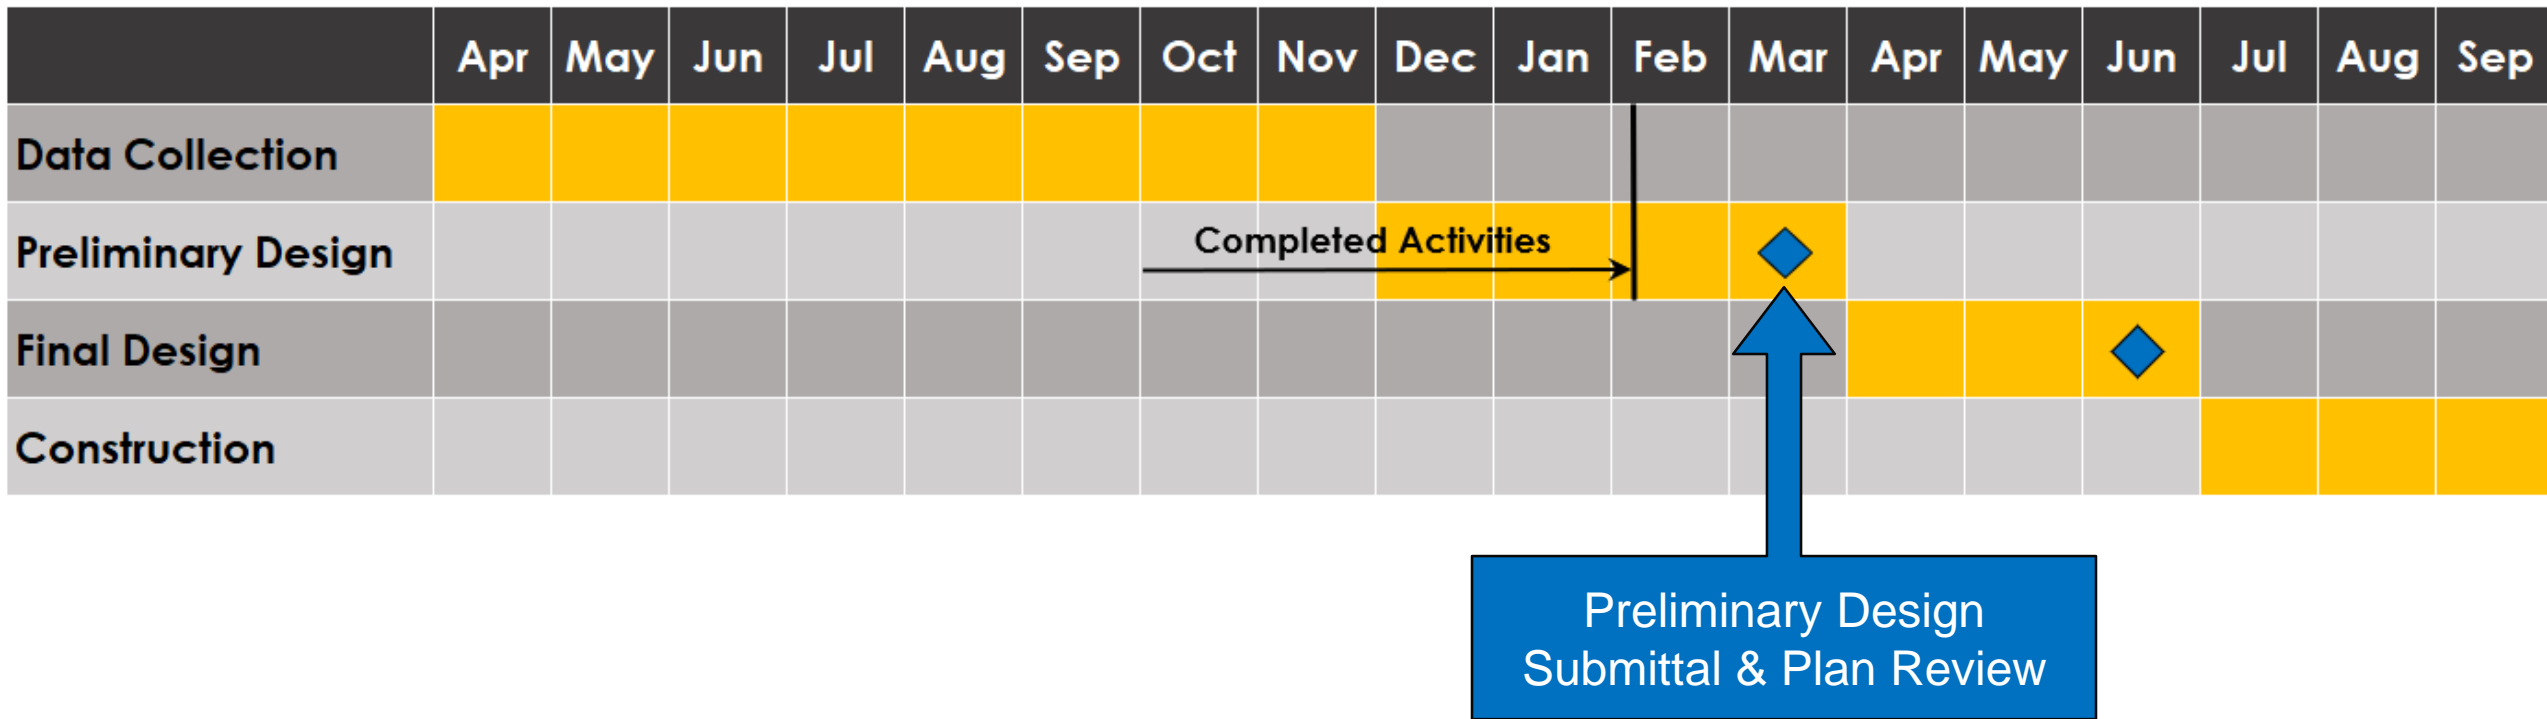

Source: Dragonfly Trail Network

- Parking Conflicts with Sidewalk
- Business Operations Conflict with Sidewalk

Opinion of Probable Costs
