

**Columbus Consolidated Government
Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	Design and Construction Services for Columbus Convention and Trade Center – RFP No. 25-0002
INITIATED BY:	Finance Department

It is requested that Council authorize the execution of a contract with Brasfield & Gorrie, LLC (Columbus, GA) to design and construct an approximately five-hundred (500) space parking garage for the Columbus Convention and Trade Center.

The scope of services includes:

- A. Turnkey design services for all aspects of parking garage construction. This includes design services for the garage including architectural, mechanical, electrical, plumbing, and structural design services. It also includes all sitework design services, including civil, landscape, and utility coordination. Coordination with City staff and other entities will be required.
- B. Complete construction services including procurement and installation of all proposed improvements.
- C. The City will be designing and constructing a bridge connection from the Trade Center to the parking garage under separate contract. Selected design-builder shall design the garage to accommodate this connection.

RFP Advertisement and Receipt of Proposals:

RFP specifications were posted on the web pages of the Purchasing Division, the Georgia Procurement Registry and DemandStar on July 10, 2024. This RFP has been advertised, opened and evaluated. Four (4) proposals were received by the due date of August 16, 2024, from the following vendors:

- Brasfield & Gorrie, LLC (Columbus, GA)**
- Batson-Cook Construction (West Point, GA)
- Gilbane Building Company (Atlanta, GA)
- Swinerton Builders (Atlanta, GA)

The following events took place after receipt of proposals:

Results Forwarded	03/10/25	The Purchasing Division forwarded the evaluation results to the Evaluation Committee.
Award Recommendation	03/10/25	The voters unanimously recommended award to the highest scoring contractor, Brasfield & Gorrie, LLC.

Evaluation Committee:

The proposals were reviewed by the Evaluation Committee, which consisted of two voting members from the Trade Center, one voting member from METRA, one voting member from Public Works and one voting member from Engineering.

Serving as alternate voters were one representative from Inspections and Code and one representative from Engineering.

Serving as non-voting advisors were one representative from the City Manager’s Office and three representatives from Historic Columbus.

Award Recommendation:

The voting Committee members recommend award to Brasfield & Gorrie, LLC (Columbus, GA) for the following reasons:

- **Brasfield & Gorrie, LLC**
 - The vendor knows the Columbus area well when it comes to parking garages and working within the historic district.
 - The firm has a good working relationship with the City of Columbus and has worked on several parking structures for the City.
 - Brasfield & Gorrie has experience with over three-hundred fifty (350) design-build projects.

○ **Qualifications/Experience:**

- The company has operated as Brasfield & Gorrie since 1964 and has an annual revenue of approximately \$5 billion with an average project value of \$34 million. The company employs over 3,500 individuals.
- Brasfield & Gorrie provides contracting, design, build, and construction management services.
- The company has 13 office locations. Their Columbus location is a full-service office that opened in 2012; however, the company has been working in Columbus since 1990.
- Below are the last three projects for which Brasfield & Gorrie has provided similar work.

- W.C. Bradley | Riverfront Place October 2021 – June 2024
1017 Front Avenue, Columbus, GA
Riverfront Place Phase III & IV – 267,000 sq ft wood-frame apartment complex sitting on top of cast-in-place concrete parking deck; includes two residential lobbies housed in the parking deck which will feature a club/game room, leasing office, breakroom/kitchen, etc; 175,000 sq ft, class A Office Tower; includes build-out of office lobby, core restrooms, and fitness center.
- W.C. Bradley | The Rapids at Riverfront Place May 2017 – June 2019
1501 Mercer University Drive, Macon, GA
The Rapids at Riverfront Place is a four-story, wood framed apartment building with a two-story cast-in-place parking deck, all on top of a concrete podium. The building contains two-hundred twenty-six (226) apartments, including amenity and leasing areas, and includes pool with a bar, cabana, and bocce ball court, a courtyard with a fire pit and game tables, a private club room, and a 24-hour fitness center. The mixed-use project also included retail and restaurant shell spaces on the street level.
- Southern Company | Shoals Crossing and Mill Creek October 2023 – January 2025
30 Ivan Allen Junior Boulevard Northwest, Atlanta, GA
Project Shoals Crossing and Project Mill Creek – 70,000 sq ft design-build enterprise data centers; includes 20,000 sq ft raised access floor data hall space and 10,000 sq ft for future data hall expansion.

The City's Procurement Ordinance Article 3-110 (Competitive Sealed Proposals for the procurement of Equipment, Supplies and Professional Services) governs the RFP Process. During the RFP process, there is no formal opening due to the possibility of negotiated components of the proposal. In the event City Council does not approve the recommended offeror, no proposal responses or any negotiated components are made public until after the award of the contract. Therefore, the evaluation results and cost information has been submitted to the City Manager in a separate memo for informational purposes.
