# J. R. Allen/US 80 Corridor Study

The image is a screenshot of a web browser displaying the Columbus Planning Department website. The browser's address bar shows the URL <https://www.columbusga.gov/Planning/>. The website header features the 'Columbus Plans! Georgia' logo and a navigation menu with links for Home, Development Services, Historic Preservation, Transportation Planning, Redevelopment, and Special Projects. Below the navigation is a social media bar with icons for Facebook, Twitter, Instagram, and YouTube. A large banner for 'TRANSPORTATION ALTERNATIVES' is prominently displayed, with the word 'TRANSPORTATION' in white on a black background and 'ALTERNATIVES' in white on a yellow background. Below the banner, a 'Planning News' section features an article titled 'JR Allen Parkway Study' dated Friday, June 12, 2020. The article text states: 'The purpose of this study is to examine this freeway/major arterial and to determine how to alleviate traffic congestion along the J.R. Allen Parkway corridor, while also improving access to transit shelters, connecting the pedestrian sidewalk network, and making considerations for bicycle facility/amenity investments.' A red arrow points to the article title. Below the article text, it says 'Please visit [JrAllenParkwayStudy.com](http://JrAllenParkwayStudy.com) to learn more and get involved!'. To the right of the main content is a sidebar with sections for 'Contacts', 'Boards' (including Planning Advisory Commission, Zoning Appeals, Historic & Architectural Review, UpTown Facade, MPO Policy, MPO Technical, and MPO Citizens Advisory), 'Columbus 2038', 'Development Services' (including Subdivisions, Zoning, Applications and Forms, Fees, Appeals, and UDO), and 'Transportation Planning' (including Amendments and Transportation Projects). On the left side of the page, there is a section for the 'Government Annex Building' with its address (420 10th Street - 2nd floor, Columbus, Georgia 31902), phone number (706.225-4421), and fax number (706.225.4534). Below this is a small graphic of a city skyline.

The screenshot displays a web browser window with the URL <https://stantec.maps.arcgis.com/apps/webappviewer/index.html?id=e54d48d4a10e4c3d96fcb060a8dce47>. The browser tabs include 'Planning', 'Home | JR Allen Parkway Project', and 'JR Allen Pkwy Corridor Study'. The application header reads 'JR Allen Pkwy Corridor Study - a Crowdsourcing Application'. The main map area shows a geographic region with several roads highlighted in different colors: a blue route through the center, a yellow route to the west, and a green route to the east. Key locations labeled on the map include Green Island Hills, Allendale, Crystal Valley, and Schatulga. Specific roads highlighted include Veterans Parkway, Moon Road, Blackmon Road, Flat Rock Road N, and Flat Rock Road S. A sidebar on the right titled 'Add Comments' contains a section for 'Points of Interest' with five icons: a yellow exclamation mark for 'Barrier', a green star for 'Destination', a red circle with a white horizontal line for 'Improvement Needed', a red octagon for 'Safety', and a blue location pin for 'Other'. The bottom of the map features the Esri logo and a copyright notice: 'Esri, NASA, NGA, USGS, FEMA | Esri, HERE, Garmin, SafeGraph, INCREMENT P, METV...'.
