BUDGET REVIEW

LIFE PAK 15 CARDIAC MONITORS/DEFIBRILLATORS

- **THE CURRENT LIFEPAK 12 CARDIAC MONITORS/DEFIBRILLATORS ARE NO LONGER SERVICEABLE PER MANUFACTURER. TO MAINTAIN THE HIGHEST LEVEL OF ASSESSMENT AND TREATMENT OF CARDIAC PATIENTS, REPLACEMENT OF THE UNSERVICABLE MONITORS IS CRITICAL. WE REQUESTED 9 LIFE PAK 15 CARDIAC MONITORS/DEFIBRILLATORS AT \$38,000 FOR EACH UNIT FOR A TOTAL OF \$342,000.**

RECOMMENDATION

- **APPROVE 9 LIFE PAK 15 CARDIAC MONITORS.**
