Council Meeting Agenda Item**

TO:	Mayor and Councilors
AGENDA SUBJECT:	CARDIAC MONITOR/DEFIBRILLATOR AND ACCESSORIES FOR FIRE & EMS DEPARTMENT - SOURCEWELL COOPERATIVE CONTRACT
INITIATED BY:	Finance Department

It is requested that Council approve the purchase of one Stryker Lifepak 35 cardiac monitor/defibrillator and accessories from Stryker Sales (Chicago, IL), in the amount of \$56,788.19. The purchase will be accomplished by Cooperative Purchase via Sourcewell Contract #041823-STY.

The Fire & EMS Department is transitioning to the newest upgrade of the cardiac monitor which is the Stryker LifePak 35. As the department purchases more of these units, they will be able to trade-in older LifePak models to receive a discount. To provide continuity of medical care it is necessary that all components be compatible which is the case with the LifePak 35, the current monitors and AED's located throughout the City. Per Resolution #149-24, this equipment will be used in the Mobile Integrated Healthcare vehicle to assist in the program aligned with the Columbus Correct Care Initiative, providing Muscogee County residents resources to support their medical needs for emergency and non-emergency care.

The purchase will be accomplished by Cooperative Purchase via Request for Proposal (RFP) #041823-STY, initiated by Sourcewell, whereby Stryker Sales, LLC was one of the successful vendors contracted to provide Critical Care and EMS Equipment. The contract, which commenced September 15, 2023, is good through September June 30, 2027. The contract available under Sourcewell has been awarded by virtue of a public competitive procurement process compliant with State and Federal statutes. Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. The RFP process utilized by Sourcewell meets the requirements of the City's Procurement Ordinance; additionally, the City's Procurement Ordinance, Article 9-101, authorizes the use of cooperative purchasing.
