

METROPOLITAN PLANNING ORGANIZATION
MEMORANDUM OF UNDERSTANDING
FOR THE
COLUMBUS-PHENIX CITY TRANSPORTATION STUDY

BETWEEN

The Consolidated Government of Columbus, Georgia; the City of Phenix City, Alabama; the City of Smiths Station, Alabama; the Counties of Lee and Russell, Alabama; Chattahoochee County, Georgia; Harris County, Georgia; the Alabama Department of Transportation and the Georgia Department of Transportation in cooperation with the U.S. Department of Transportation.

RELATIVE TO

The continuing, comprehensive, and cooperative urban transportation planning process known as the "Columbus-Phenix City Transportation Study" (C-PCTS).

- 1. IT IS THE INTENTION OF THE PARTIES**, that the Columbus-Phenix City Transportation Study is to:
 1. Maintain a continuing, cooperative, and comprehensive transportation planning process as defined in Title 23, USC Section 134 that explicitly regards the current surface transportation act's planning factors and focus areas and results in plans and programs consistent with comprehensively planning development of the urbanized area.
 2. Update and revise the Columbus-Phenix City Multi-Modal Transportation Plan, to create a fiscally feasible transportation system that integrates thoroughfare development, public transportation, air facilities, rail systems, bicycle and pedestrian facilities, and transportation enhancements; and reflects consideration of the area's comprehensive land-use plan and overall social, economic, environmental, energy conservation plans, goals, and objectives.
 3. Create a functional relationship between transportation planning and the development of the cities and counties in the C-PCTS MPO Metropolitan Planning Area (MPA).
 4. Maintain the data obtained in the original data collection phase of the study and pertinent data collected thereafter on a current level so that existing and forthcoming recommendations may be evaluated and updated as necessary.
 5. Produce all documents and studies that are necessary to maintain a Certified Transportation Planning Process.
 6. Per the last two transportation bills (MAP-21 and the FAST Act), the Columbus-Phenix City Transportation Study MPO will adopt GDOT's and ALDOT's performance targets for Safety (PM1), Bridge & Pavement (PM2), Travel Time Reliability (PM3), and the Transit Targets.

2. **IT IS FURTHER INTENDED** that the areas of responsibility of the counties, municipalities, and agencies shall lie within the transportation Metropolitan Planning Area (MPA) boundary established by the C-PCTS MPO Board and the Governors of Georgia and Alabama. This area includes all Muscogee County (Columbus Consolidated Government), all of Chattahoochee County and a portion of Harris County in Georgia, the City of Phenix City, the City of Smiths Station and parts of Lee and Russell Counties in Alabama. The MPO boundary is shown in Exhibit A, C-PCTS MPO Metropolitan Planning Area.
3. **IT IS FURTHER INTENDED**, that the Metropolitan Planning Organization (MPO) as designated by the Governors of Georgia and Alabama is the Columbus Department of Planning. With majority consent from the Columbus-Phenix City Policy Committee, the MPO shall have the primary responsibility for carrying out the urban transportation planning process and of developing the planning work program, transportation plan, and transportation improvement program, public participation plan, and other studies for the C-PCTS MPO MPA.
4. **IT IS FURTHER INTENDED**, that the C-PCTS MPO shall be coordinated by a project director who shall be the Director of the Department of Planning or his designee, and the staff of the Transportation Planning Division of the Department of Planning shall serve as the primary staff to the C-PCTS program and process. Additional staff resources may be provided, upon request, from the Technical Coordinating Committee (TCC) membership and existing staff resources of the participating agencies and governments. The Project Director shall coordinate all requests under the direction of the Policy Committee.
5. **IT IS FURTHER INTENDED**, that the C-PCTS Policy Committee shall continue to function to adopt appropriate goals, work programs, and plans; and to establish the need, form, and direction of future transportation improvements in the Columbus-Phenix City area. The Policy Committee shall be the MPO forum for cooperative decision making by principal elected and appointed officials of general-purpose local government and intermodal transportation providers. The individuals representing the government jurisdictions involved in the C-PCTS planning process and other involved agencies shall comprise the Policy Committee Bylaws. The membership shall be enumerated in the Policy Committee Bylaws. The Policy Committee shall have the final authority in the matters of policy and plan adoption for the Columbus-Phenix City Transportation Study.
6. **IT IS FURTHER INTENDED**, that the committee known as the Technical Coordinating Committee (TCC) shall continue to function to assure the involvement of all operating departments, advisory agencies, and Multi-modal transportation providers concerned with, or affected by, the planning process and subsequent implementation of plans. The technical guidance and direction of the continuing Columbus-Phenix City Transportation Study shall be furnished by the TCC. The membership shall be enumerated in the Technical Coordinating Committee Bylaws.

7. **IT IS FURTHER INTENDED**, that the Citizens Advisory Committee (CAC) shall continue to function as a public information and involvement committee and shall be representative of a cross-section of the communities. The CAC shall keep the Policy and the Technical Coordinating Committee informed of the communities' perspective and shall provide information to the community about transportation policies and issues. The membership shall be enumerated in the Citizens Advisory Committee Bylaws.

8. **IT IS FURTHER INTENDED**, that the various committees meet at significant stages in the planning process in accordance with the bylaws adopted by each committee.

9. IT IS FURTHER INTENDED, that the Georgia Department of Transportation (GDOT), only to the extent that it may be bound by contracts which may hereafter be entered, shall be responsible for the following:

1. Provide available maps, aerial photographs, charts, and records as deemed necessary to maintain the study.
2. Update and maintain travel simulation models for use in evaluating the metropolitan area's transportation needs. The models shall be the "official" C-PCTS models. The Department shall also provide the expertise and computer software for the above-mentioned tasks.
3. Make periodic reviews and evaluations of projected transportation needs, and revisions, when necessary, of the Multi-modal transportation plan.
4. Aid the MPO in the preparation of planning, oriented preliminary engineering, right-of-way, construction cost estimates, and certain transit, rail, aviation, and port records where applicable for projects in the Columbus-Phenix City Multi-modal Transportation Plan.
5. Provide the local agencies with current information concerning the status of planning and implementation of projects in the Columbus-Phenix City Multi-modal Transportation Plan.
6. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified, to determine the extent of the analysis and define each agency's role in the development of the Major Investment Study (23 CFR 450.318).
7. Enter into a cooperative process and coordinate with MPO participants an understanding of the development and amendment process for the State Transportation Improvement Program (STIP).
8. Incorporate, with modification, the adopted C-PCTS Transportation Improvement Program into the State Transportation Improvement Program; and coordinate with the C-PCTS Transportation Plan in the development of the Statewide Transportation Plan.
9. Annually certify, concurrently with the C-PCT MPO, to the FHWA and the FTA that the C-PCTS planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal Laws.
10. Provide various types of traffic count data.
11. Provide other assistance as mutually agreed upon.

11. IT IS FURTHER INTENDED, that the Columbus Department of Planning/Metropolitan Planning Organization (MPO), only to the extent that it may be bound by contracts, which may hereafter be entered into, shall be responsible for the following:

1. Prepare planning-oriented preliminary engineering, right-of-way, and construction cost estimates where applicable for projects in the Columbus-Phenix City Multimodal Transportation Plan.
2. Update and maintain maps showing existing and proposed land use and make appraisals of actual land development in comparison with projections.
3. Review zoning and subdivision request in accordance with the C-PCTS Transportation and Land Use Plans.
4. Provide social and community development plans as may relate to transportation needs.
5. Develop and maintain base and projected population housing, employment, economic, vehicle and land use data by traffic zone and supply information as requested concerning special generators.
6. Make recommendations for revisions of the Columbus-Phenix City Multi-modal Transportation Plan to conform to new planning goals, objectives, policies, or developments.
7. Periodically review traffic zone boundaries and make appropriate recommendations to the Technical Coordinating Committee and cooperate with the Georgia Department of Transportation in revision of said boundaries.
8. Provide available maps, aerial photographs, charts, records, and directories to the extent possible.
9. Collect, analyze, and distribute traffic data such as traffic counts and accident rate to the public, governmental agencies, and other parties.
10. Prepare and publish as necessary, a fiscally constrained 20 Year Multi-modal Transportation Plan that leads to the development of an integrated inter-modal transportation system that facilitates the efficient movement of people and goods. The transportation plan shall be reviewed and updated at least every five (5) years.
11. Prepare and maintain a financially balanced Four (4) Year Multi-modal Transportation Improvement Program (TIP), which will be updated annually.
12. Prepare an annual Unified Planning Work Program (UPWP) to document planning activities to be performed in the next fiscal year, in sufficient detail to indicate who will perform the work, the schedule for completion and the products that it will produce.
13. Prepare Georgia Department of Transportation Planning Contract for approval by Council of the Columbus Consolidated Government. Prepare transportation quarterly reports and submit reimbursement request to Georgia and Alabama Department's of Transportation. Prepare annual Performance Report for the comparison of established goals in the Unified Planning Work Program and completed work elements.
14. Compile, maintain, and document data on existing water, air, motor freight, and rail terminals, and transfer facilities.
15. Prepare and publish as necessary a Public Involvement Plan, which documents how the MPO will provide complete information, timely public notices, full public access to key decisions, and support early and continuing involvement of the public in the development of plans and TIP's; and meets the criteria specified in 23 CFR Part 450.

16. Cooperate with the Alabama and Georgia Department's of Transportation in the development and implementation of the MAP-21 / FAST Act management systems and the traffic monitoring system (23 CFR Part 500). The MPO will have the lead responsibility in the development of the C-PCTS Congestion Management Process.
17. Ensure that the Congestion Management Process, the Public Transportation Management System, and the Inter-Modal Management System shall, to the extent appropriate, be part of the metropolitan transportation planning process; and that the results of the six individual management shall be considered in the development of the transportation plan and TIP.
18. Enter into the cooperative process with all participating agencies, when the need for a major metropolitan investment is identified, to determine the extent of the analysis and define each agency's role in the development of the Major Investment Study (23 CFR 450.318).
19. Annually certify, concurrently with the Georgia Department of Transportation and the Alabama Department of Transportation, to the FHWA and the FTA that the C-PCTS planning process is addressing the major issues facing the area and is being conducted in accordance with all applicable Federal laws.
